⁴ If a Practice Trainee changes the Core Seat and/or Secondary Seat(s) to different Practice Areas, the previously approved Practice Area Checklists will become invalid, and tasks completed under those checklists will not count towards the fulfilment of the Practice Training Period. The Practice Trainee must complete the newly selected Practice Area Checklists within the remaining duration of the Practice Training Period. However, General Practice Training Checklists can be carried forward and completed in the New Law Practice, regardless of any changes to the Core or Secondary Seats.

⁵ A law practice that cannot provide both types of Seats and in different Practice Areas can arrange for its practice trainee to be exposed to a Secondary Seat in a Covering Law Practice. Refer to Part 6 of the Practice Training Period Guidelines 2024 for more information on Covering Law Practices.
